## APPRECIATION

The presentation of this Program entailed much work on the part of all who were instrumental in making it a success. Despite the fact that nothing was ever looked by the DIRECTOR or the Board, and that all the members of the Band worked hard to put it over, we felt we needed much co-operation on the part of the citizens of MALVERN.

WE received that splendid co-operation. We heartily express our gratitude, therefore, to all who assisted us in any way in this undertaking. WE THANK YOU.

Executive Committee of "PRINCESS BONNIE".

### PROLOGUE

About 14 years before the opening of the play there was a shipwreck off the coast of Maine and a little girl was rescued by Captain Tarposulin of the fishing smack Nancy. The child talked in some foreign tongue. All that could be made out of her name was Bonnie Bell; so she is called that. She grows up the adopted daughter of Capt. Tarposulin and his maiden sister, "Auntie Crabbe."

WE "TOOT OUR HORN" ABOUT OUR  
GROCERIES AND MEAT BECAUSE WE HANDLE ONLY
